

# Deldent Ultrasonic Scaling Inserts

Ultrasonic scaling inserts that fit all stack-type (magnetorestritive) ultrasonic scaler units, including Cavitron and Parkell.  
The same....only better!

- Finely crafted.
- Wide range of styles available, including metal and resin, 25K and 30K.
- 3 month warranty.
- Exactly the same quality, performance, and warranty as other inserts for about **HALF** the price
